Capalmages - The Safe Way to an Always Updated Windows Image.
Tired of spending time and resources keeping your Windows Images fully updated?

The combination of CapaImages and CapaInstaller puts you in the driving seat when it comes to secure security. With CapaImages you can skip the monthly security update of your images and let CapaSystems handle that.

SECURITY UPDATES

The large amount of security patches has increased over the years. The constant need for updating the Windows OS Images has become a time-consuming task. CapaSystems monitors releases of updates and patches for you and ensures that you are informed as soon as new images are ready for download.

YOUR ACCESS TO UPDATED WINDOWS IMAGES

Capalmages for CapaInstaller makes it easy, cheap and safe for you to be up-to-date with the security updates and patches for your Windows Images.

CapaImages for CapaInstaller
VERSION 5.6

CAPAIMAGES LETS YOU:

- Be sure that your Windows Images have all necessary security updates.
- Save time and resources on preparing and creating new images.

DELIVERY RESULTS

You download pre-prepared standard images from a website where CapaImages for CapaInstaller are available. Images are created and thoroughly tested by experienced CapaSystems consultants who know and understand the needs of end-users as well as CapaInstaller administrators.

CapaSystems Images

Which images are available?

• Windows 7 - Enterprise – DA/EN - 64-bit
• Windows 10 - Enterprise – DA/EN - 64-bit
• Windows 10 - Professional – DA/EN - 64-bit

It is always the latest version of Windows 10 (e.g. 1709) that is kept up to date.

All images are 100% hardware-independent, made in virtual environment and built in WorkGroup, thus there are no traces of domain policies and other.

It is a prerequisite that you as a customer have a valid Windows license agreement with Microsoft.

A subscription to CapaImages is signed for a minimum of 1 year at a time.

All images will be available on https://capapacks.capasystems.com/#/login

Should thereafter be individual customization, CapaSystems' consultants will of course be available if you do not want to spend time on this.
